

Osteopathy

Osteopathy

The Osteopathy service offered at our SOS Centres in Weybridge, Sevenoaks and Brentwood forms an important part of the combined approach to treating spinal and peripheral joint problems.

Osteopathy is a way of detecting and treating damaged parts of the body such as muscles, ligaments, nerves and joints. When the body is working in a balanced and efficient manner, it will function with the minimum amount of wear and tear, leaving more energy for living.

The Osteopaths working at SOS Centres are highly qualified and experienced clinicians used to working with all manner of ages, patients, conditions.
